- **Mistake Free Ordering** Advanced Builder (Does not allow "No" and "Extra" choices at the same time to confuse the kitchen)
- **No Special Instruction Boxes** (No Free Food write-ins to confuse the kitchen)
- **Multi-Routing Delivery Maps** (Select where your drivers and DoorDash Drivers deliver on the fly.)

## Integrated DoorDash Drive Delivery Service

*Small Flat Rate Monthly Integration Fee Applies No Tablets, No Percentages*

*Free Delivery Driver Labor*

### How it works

**Have your own drivers? No Problem! Utilize our Multi-Routing Maps!**

Customer places order online though Online Orders Now for delivery, POS captures the order

Delivery order automatically sent to third party. Driver receives order and picks it up at restaurants specified time

Restaurant charges same delivery fee as DoorDash Drive, equals free drivers
